

COBRA

Exterior LED Wall Fixture

160 - 320 Lumens

Ultra compact LED wall light, with stylish finish

Incredibly robust with multiple beam options, saturated colours and superior optics. Available in down only or up/down versions, the Cobra Wall Light is a proven performer in vertical applications.

Use with confidence in all commercial, hospitality and domestic projects where a small but powerful wall light is required.

SPECIFICATIONS

Colours	Warm	Neutral	Cool	Red	Green	Blue	Amber	RGB	
Wavelength/Colour Temp	3000K	4000K	6000K	620nm	520nm	465nm	585nm	-	
Lumens	132	160	160	76	123	42	76	133	
Beam Angle	10°, 12°, 22°, 56°, 12°x 42°, Domed, Flat Frosted							28°	FF
IP Rating	IP65								
Material & Finish	316 Stainless Steel								
Performance	70% Lumen Maintenance @ 50,000 Hours (L70)								
Power Supply	NON-Dimmable: 9 28V AC/DC 50/60Hz Dimmable: 700mA Constant Current Drive @ 3V							350mA Constant Current	
Power	2.2w (700mA @ 3.2V Nominal)							3.15w	
Connected Load	DC: 2.8w AC: 4w							4w	
Weight	Down 400g, Up/Down 640g								

Specifications are for down version, x2 for up/down version. Specifications are for 3w version, 1w version also available upon request
