

# TECHLINE

LED Tracklight

1760 - 3370 Lumens

### Simple and elegant DALI controlled tracklight

The Digilin Techline series are equipped with the latest COB LED technology, and use a hybrid lens and reflector combination to produce excellent light output with reduced glare.

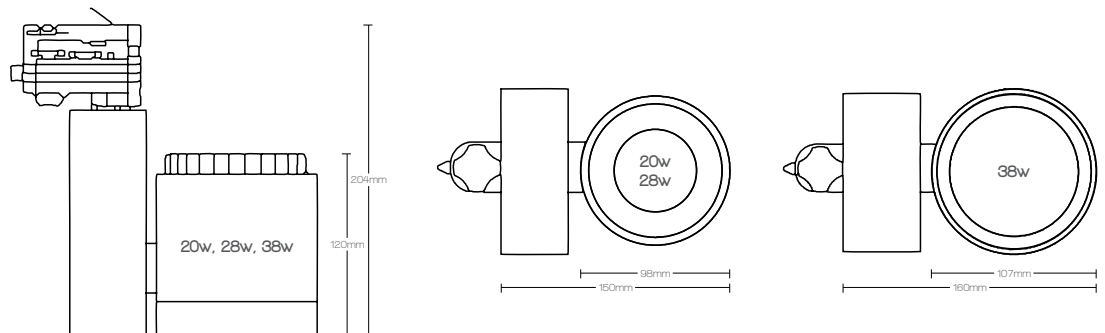

With 90 degree tilt and 360 degree pan plus DALI control for independent dimming of each fixture, the Techline is an easy choice for retail and display applications.
