

COLOURFLEX IP65

RGB LED Strip for Outdoor
226 Lumens per Metre

COLOURFLEX IP65

RGB LED Strip For Outdoor
226 Lumens per Metre

DIGILIN

A high output LED RGB Strip for outdoor applications

An IP rated version of the very popular RGB Colourflex. Use for outdoor and weathered applications where colour mixing is essential. Ultra high quality LED's provide consistent colour and brightness along the length of the strip.

Perfect for combining with Digilin control devices for standalone or integrated system control.
